TA Hours

TA SNAPSHOT

In the last two months we worked to answer questions like:

What is best practice in responding to parents concerned with our prevention curriculum?

What are the impacts of moving away from SART language?

How does Maine law define sexual assault to minors? How do those definitions impact mandated reporting requirements?

TRAINING & PEER SHARING

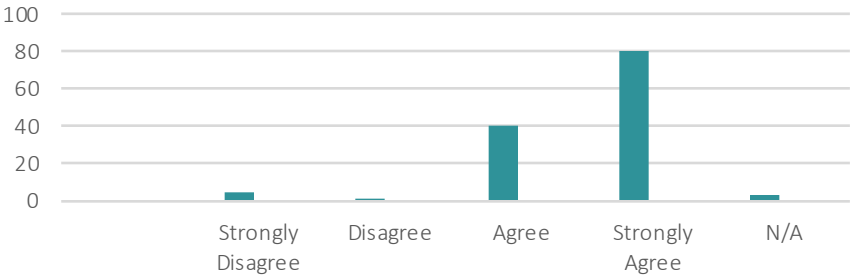

242
individuals trained
this FFY, including

INITIATIVES

MECASA Support Evaluation

Social Media & Website Reach

"This was so well done and a wonderful overview for seasoned witnesses & ones who have yet to be called to witness. Thank you so much!..So grateful for these tools. Excellent Job!"

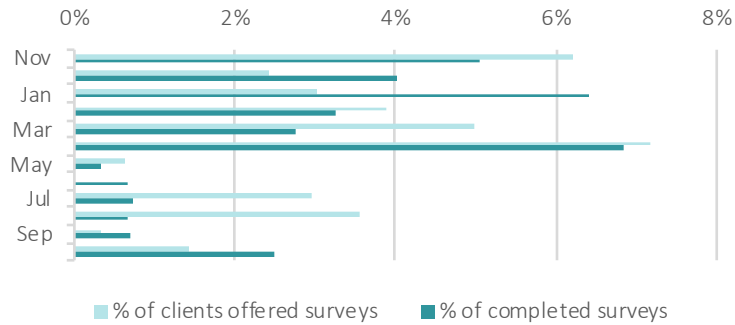

"This was an exceptional training! I learned so much and the mock testimony was incredibly helpful."
