

Partnering to Keep Kids Safe

We invite you to partner with us
to promote child safety and prevent child sexual abuse.
Come for good discussions, to get information, and to meet
other parents.

Why should I go?

You will learn:

- How to promote safe and respectful behaviors
- How to recognize questionable behaviors in adults
- How to intervene in warning behaviors
- How to talk with your child about respectful relationships, age appropriate sexual development, sexual abuse prevention & healthy sexuality

Who should attend?

Parents and adults caring for children ages birth to ten.

When?

Oh you know. Whenever.

Where?

A pretty great place!
